

## Product Selector Table

Screed	Area of Application	Description	Product System Recommendation
	Surface Preparation - Internal & external floor	Screed	L226+L3642
	Surface Preparation - Internal & external wall	Plaster	L226+L3642
Adhesives	Tile/ Stone Fixing Area of Application	Type of Finish	Product System Recommendation
Internal Floor			
	Cement floor	Ceramic Tiles	L 290
		Vitrified Tiles	L 252
		Glass Mosaic Tiles-Paper Faced	L 254
		Metal Tiles Fiber Mesh backed Tiles / Stone	L 300
		Low Porous Stones	L 254
	Wood/ Plywood floor*	Ceramic Tiles & Vitrified Tiles	L 300
		All Natural Stones	L 300
		All Engineered Stones	L 300 with Spacers
		Glass Mosaic Tiles - All Types	L 300
		Metal Tiles	L 300
	Metal floor	Any Tile/ Stone	L 300
External Floor			
	Concrete / Cement floor	Ceramic Tiles/ Vitrified Tiles/Glass Mosaic Tiles/ Natural Stones	L 254
		Metal Tiles Fiber Mesh backed Tiles / Stone	L 270
		Engineered Stones	L300
Internal Wall			
	Concrete / Plaster wall	Ceramic Tiles	L 252
		Vitrified Tiles	L 335
		Glass Mosaic Tiles - Paper Faced	L 254
		Small Format Stones	L 335
		Large Format Stones	L111 + L4237
		Metal Tiles Fiber Mesh backed Tiles / Stone	L 300
	Wood / Plywood wall*	Ceramic Tiles/ Vitrified Tiles / Glass Mosaic Tiles	L 300
		Metal Tiles	L 300
		All Natural Stones	L 300
		Engineered Stones	L 300
	Gypsum wall board wall / Calcium silicate board wall / Cement backer board wall	Ceramic Tiles / Vitrified Tiles / Glass Mosaic Tiles-Paper Faced	DWA 215
	All Types of Dry Wall Boards	Fiber Mesh backed Tiles / Stone	L 300
	Internal wall - Concrete (more than M25 grade ) & metal wall : Spot bonding method	Any Tile	L 310
External Wall			
	Concrete / Plaster wall	Ceramic Tiles/ Vitrified Tiles / Glass Mosaic Tiles / Paper Faced	L 254
		Natural Stone	L 111 + L 4237
		Medium format Stones	L254
	Internal wall - Concrete (more than M25 grade ) & metal wall : Spot bonding method	Any Tile	L 310
Grouting			
	Internal floor/ wall - Residential	Living areas	SP-100
		Bathrooms, Kitchen, Swimming Pool & Waterbodies	SP-100
	External floor/ wall - Residential	Office Rooms, Meeting Rooms	600 + L1776
