

**Application Wise**

Area of Application	Description	Product Recommendation
Surface Preparation - Internal and External Floor	Screed	L226 + L3642
Surface Preparation - Internal and External Wall	Plaster	L226 + L3642
<b>INTERNAL FLOOR</b>		
Substrate	Type of Finish	Product System Recommendation
Internal Cement Floor	Ceramic Tiles	L290
	Vitrified Tiles	L 252
	Glass Mosaic Tiles	L 254
	Metal Tiles	L 300
	Low porous stones	L 254
Internal - wood/ plywood floor**	Ceramic Tiles & Vitrified Tiles	L 300
	All Natural Stones	L 300
	All Engineered stones	L 300 with spacers
	Glass Mosaic Tiles	L 210
	Metal Tiles	L 300
Internal - metal floor	Any tile/ stone	L 300
<b>EXTERNAL FLOOR</b>		
External - concrete/ cement floor	Ceramic Tiles/ Vitrified tiles/Glass Mosaic Tiles/ natural stones	L 254
	Metal tiles	L 270
	Engineered stones	L300
<b>INTERNAL WALL</b>		
Internal - concrete/ plaster wall	Ceramic Tiles	L 252
	Vitrified Tiles	L 254
	Glass Mosaic Tiles	L 254
	Small format stones	L 335
	Large format stones	L111 + L4237
	Metallic Tiles	L 300
Internal - wood/ plywood wall	ceramic / Vitrified Tiles /Glass Mosaic Tiles	L 300
	Metallic Tiles	L 300
	All Stones	L 300
	Engineered stones	L 300
Internal - gypsum wall board wall	ceramic / Vitrified Tiles / Glass Mosaic Tiles	Primer coat with L3642+ L252
Internal - calcium silicate board wall	ceramic / Vitrified Tiles / Glass Mosaic Tiles	Primer coat with L3642 + L252
Internal - cement backer board wall	ceramic / Vitrified Tiles / Glass Mosaic Tiles	L 254
Internal wall - Concrete (More than M25 grade) & metal wall : Spot bonding method	Any tile/ stone	L310
<b>EXTERNAL WALL</b>		
External - concrete/ plaster wall	ceramic / Vitrified Tiles / Glass Mosaic Tiles	L 254
	Natural Stones	L 111+ L 4237
	Small format stones	L 111+ L 73
External wall - Concrete (More than M25 grade) & metal wall : Spot bonding method	Any tile/ stone	L310

**Application Wise**

<b>GROUTING</b>		
<b>Area of Application</b>	<b>Description</b>	<b>Product Recommendation</b>
<b>INTERNAL FLOOR &amp; WALL</b>		
Internal floor/ wall - Residential	Living areas	SpectraLOCK
	Bathrooms, kitchen, swimming pool & waterbodies	SpectraLOCK
Internal floor/ wall - commercial	office rooms, meeting rooms toilets, cafeterias etc	SpectraLOCK
		SpectraLOCK
