CLENZA AQ
Natural stone Cleaner

A Neutral pH, non-toxic cleaner which can be used for daily maintenance of natural stones as well as to remove tough stains. This is most suitable for cleaning marbles and other calcium based stones and sealed natural stones.

Features / Benefits

- Non toxic
- Non Corrosive
- Bio degradable
- Easy to Use
- Low VOC

Areas of application

- For interior & exterior applications of Natural stone surfaces
- Kitchens – Floor, Wall and countertops
- Commercial Floors
- Bathrooms – Floors & Walls

Substrates

- All Natural stones
- Marble
- Lime stone
- Engineered Marble
- Sealed Natural stones
- Granite
- Slate
- Travertine
- Quartz

Certifications

- Member of Indian Green Building Council
MIXING AND APPLICATION:

Note: Shake the container well for one minute before opening the container for use.

For hard stains like oil, grease and fats:
1) Mix 1 part of Clenza AQ to 3 parts of hot water
2) Apply over stained area and scrub with medium soft brush. Let it stay for 10-15 minutes and keep scrubbing periodically.
3) Clean the surface with warm water for better results.

For regular floor cleaning:
1) Dilute Clenza AQ in ratio of 1:10 with clean water for general day to day cleaning of floor.
2) Clean the surface with warm water for better results.

Cautions:

Always protect neighboring surfaces including wood, carpet, metal, landscaping and other surfaces.
Do not mix with ammoniated cleaners or any other cleaners as harmful fumes may result.
Store in cool place away from heat and fire.
Avoid contact with skin and eyes.
Do not inhale and use it in open ventilated areas.
Do not swallow.
Please wear hand gloves, nose cover and wear eye protection before and while using the product.
KEEP OUT OF REACH OF CHILDREN.

PACKAGING:
1 litre, 5 Litres & 20 Litres

COVERAGE:
50 - 400 Sft per Litre. Coverage depends on the porosity of surface and intensity of stains on the surface.

STORAGE:
After usage, close the container well sealed to avoid contamination and damages. Store in original container only. Store and use between temperature 4° C and 40° C.

WARRANTY:
MYK LATICRETE India Pvt Ltd warrants that MYK LATICRETE® CLENZA AQ is free from manufacturing defects and will not break down, deteriorate or disintegrate under normal usage for a period of One (1) year from date of manufacture subject to the terms and conditions stated in MYK LATICRETE Product Warranty

MAINTENANCE:

NOTE: All impregnating sealers and cleaners are maintenance products and hence surfaces applied with sealers need careful maintenance.

Maintenance of the sealed surfaces should not be done with general cleaner chemicals. Plain soft water is recommended to clean the surface. For periodic cleaning we recommend to use our MYK LATICRETE CLENZA AQ, neutral, water based cleaner. Acidic cleaners are STRICTLY NOT recommended. Please refer the Maintenance manual for more details.
